**September 28, 2017**

## Dates to Remember

**Friday, September 29<sup>th</sup>** – Fall Fundraiser Kick Off  
**Friday, October 13<sup>th</sup>** – Fundraiser Order Form and Money Due  
**Friday, October 20<sup>th</sup>** – School Wide Field Trip to Amazing Grace Crop Maze

## FALL FUNDRAISER

Our fall fundraiser kicks off Friday. We will be selling Gourmet Spices & Dip Mixes. All mixes are just \$5 each! Your child will be bringing home a packet with all of the information tomorrow afternoon. Orders and money are due Friday, October 13<sup>th</sup>. All families are encouraged to support SCS through selling items.

## A NOTE FROM THE PRINCIPAL

Ms. Thornton

We are planning our first school wide field trip! Enclosed in your Thursday folder is a permission slip for your child to attend. We will be going to the Amazing Grace Crop Maze in Green Cove Springs. If you as a parent are able to go and transport your child, I encourage you to go. This is a wonderful opportunity to spend some time with your child and see some "amazing" parts of farm life and how it impacts each of us daily. All money and forms are due back by October 13<sup>th</sup>. I am looking forward to this field trip and seeing each of the kids learn and have fun. (FYI: Scholarships do not pay for field trips this year.) Have a blessed weekend!

Please see today's folder for a permission slip for our annual school-wide field trip to Amazing Grace Crop Maze.

Some things to know about SCS field trips:

- ✓ SCS relies on parent participation. Transportation to and from field trips is done in private vehicles, not a bus.
- ✓ If we do not have enough parents/volunteers/driver, the field trip may be cancelled.
- ✓ You must register and pay by the deadline to attend the field trip.
- ✓ If a student does not participate in a field trip, they are NOT to come to school and will be counted as absent.
- ✓ If you volunteer to drive your child and are unable to attend or drive, your child will be NOT able to attend the field trip due to limited space in transportation.

# Septembers Dolphins of the Month

## Class News and Information

Congratulations to our September Dolphins of the Month!

1<sup>st</sup>/2<sup>nd</sup> Grade – Alannah Patterson  
3<sup>rd</sup>/4<sup>th</sup> Grade – Bailey Grace Smith  
5<sup>th</sup>/6<sup>th</sup> Grade – Corey King  
7<sup>th</sup>/8<sup>th</sup> Grade – Caterina Walker

Homework is no one's favorite thing, but it is an important thing and there are several reasons why it is assigned to SCS students.

Homework helps to reinforce what's being taught in the classroom. It also enables parents to actively engage in their child's education. Further, it helps teach fundamental skills such as time management, organization, task completion, as well as responsibility.

Some parents ask, "Why is homework assigned on Wednesday night and the weekend?"

The A Beka curriculum used by SCS assigns homework (for the reasons stated above) to go with the lesson taught that day. The homework also prepares the student for the next day's lesson which may include a test or quiz. Not assigning the homework could greatly impact the student's performance in class as well as his/her grade. Another reason homework is sometimes assigned is because the student has not completed all of his/her classwork.

Homework is not designed to be a battleground between the school and the student/family, but a tool to aid the school and family to help the student be successful academically.

### Kindergarten

We are now memorizing the "A" verse, Romans 3:23.

Romeo & Juliette are very, very busy bringing sticks and moss to the nest. Kindergarten is anxiously awaiting the laying of eggs.

Be sure to read the letter in today's folder concerning the "Book It" program.

### 1<sup>st</sup> & 2<sup>nd</sup>

Everyone did a great job on Genesis 1:1-5. Now we will begin memorizing John 14:1-6. Study your math facts daily – you need math your entire life.

Stay focused, work hard, and do your best.

Colossians 3:23

Blessings. ☺

### 3<sup>RD</sup> & 4<sup>TH</sup>

3rd grade is starting on their Science notebooks this week. Please see the note in your child's folder on this.

4th grade, hang in there! We are going to make it through this year together. Make sure you are completing your homework every night and reviewing the material for the day.

### 5<sup>th</sup> & 6<sup>th</sup>

Happy fall! I am looking forward to our field trip to Amazing Grace Crop Maze. Be sure to return your permission slip and money by the deadline.

### 7<sup>th</sup> & 8<sup>th</sup>

7th and 8th grade are diving into reading with Book Reports and Oral Reports due this week. We are excited to hear everyone's presentations. 8th grade, please don't forget your Background Project. Always remember the Bible and Paul's words, "Till I come, give attention to reading, to exhortation, to doctrine." (1 Timothy 4:13)

### **Word of the Week**

*Lying lips are an abomination to the LORD, But those who deal truthfully are His delight.*

Proverbs 12:22
